Here's my contact at ADEQ. As I said, Tammie and I did not discuss the specifics of the ADEQ water quality standard for PCE in New Cricket Spring.

Casey,

It was good to talk with you this afternoon. Thanks for the invitation to the November 9, 2011 meeting with Mr. Curt Grisham regarding the Arkwood Site in Arkansas (10 a.m. to 1 p.m.). ADEQ will be tying in by video conferencing. Who do I need to have our person get in contact with the "make" things work?

Thanks
